ENVIRONMENTAL SUSTAINABILITY CHARTER

AUDIT CERTIFICATE ESC BAND: GOLD

1 JULY 2022 TO 30 JUNE 2023

PacifiCO (Aust) Pty Ltd

The Australian Steel Institute's Environmental Sustainability Charter (ESC) requires members of the Charter to be independently audited to the Environmental Management System annually to retain membership and to demonstrate continual improvement and culture change in environmental management of their business operations.

PacifiCO (Aust) Pty Ltd has demonstrated:

- Industry best practice, closely following the EMS in accordance with the Charter
- Strong environmental awareness and culture throughout the organisation
